OUR AIM

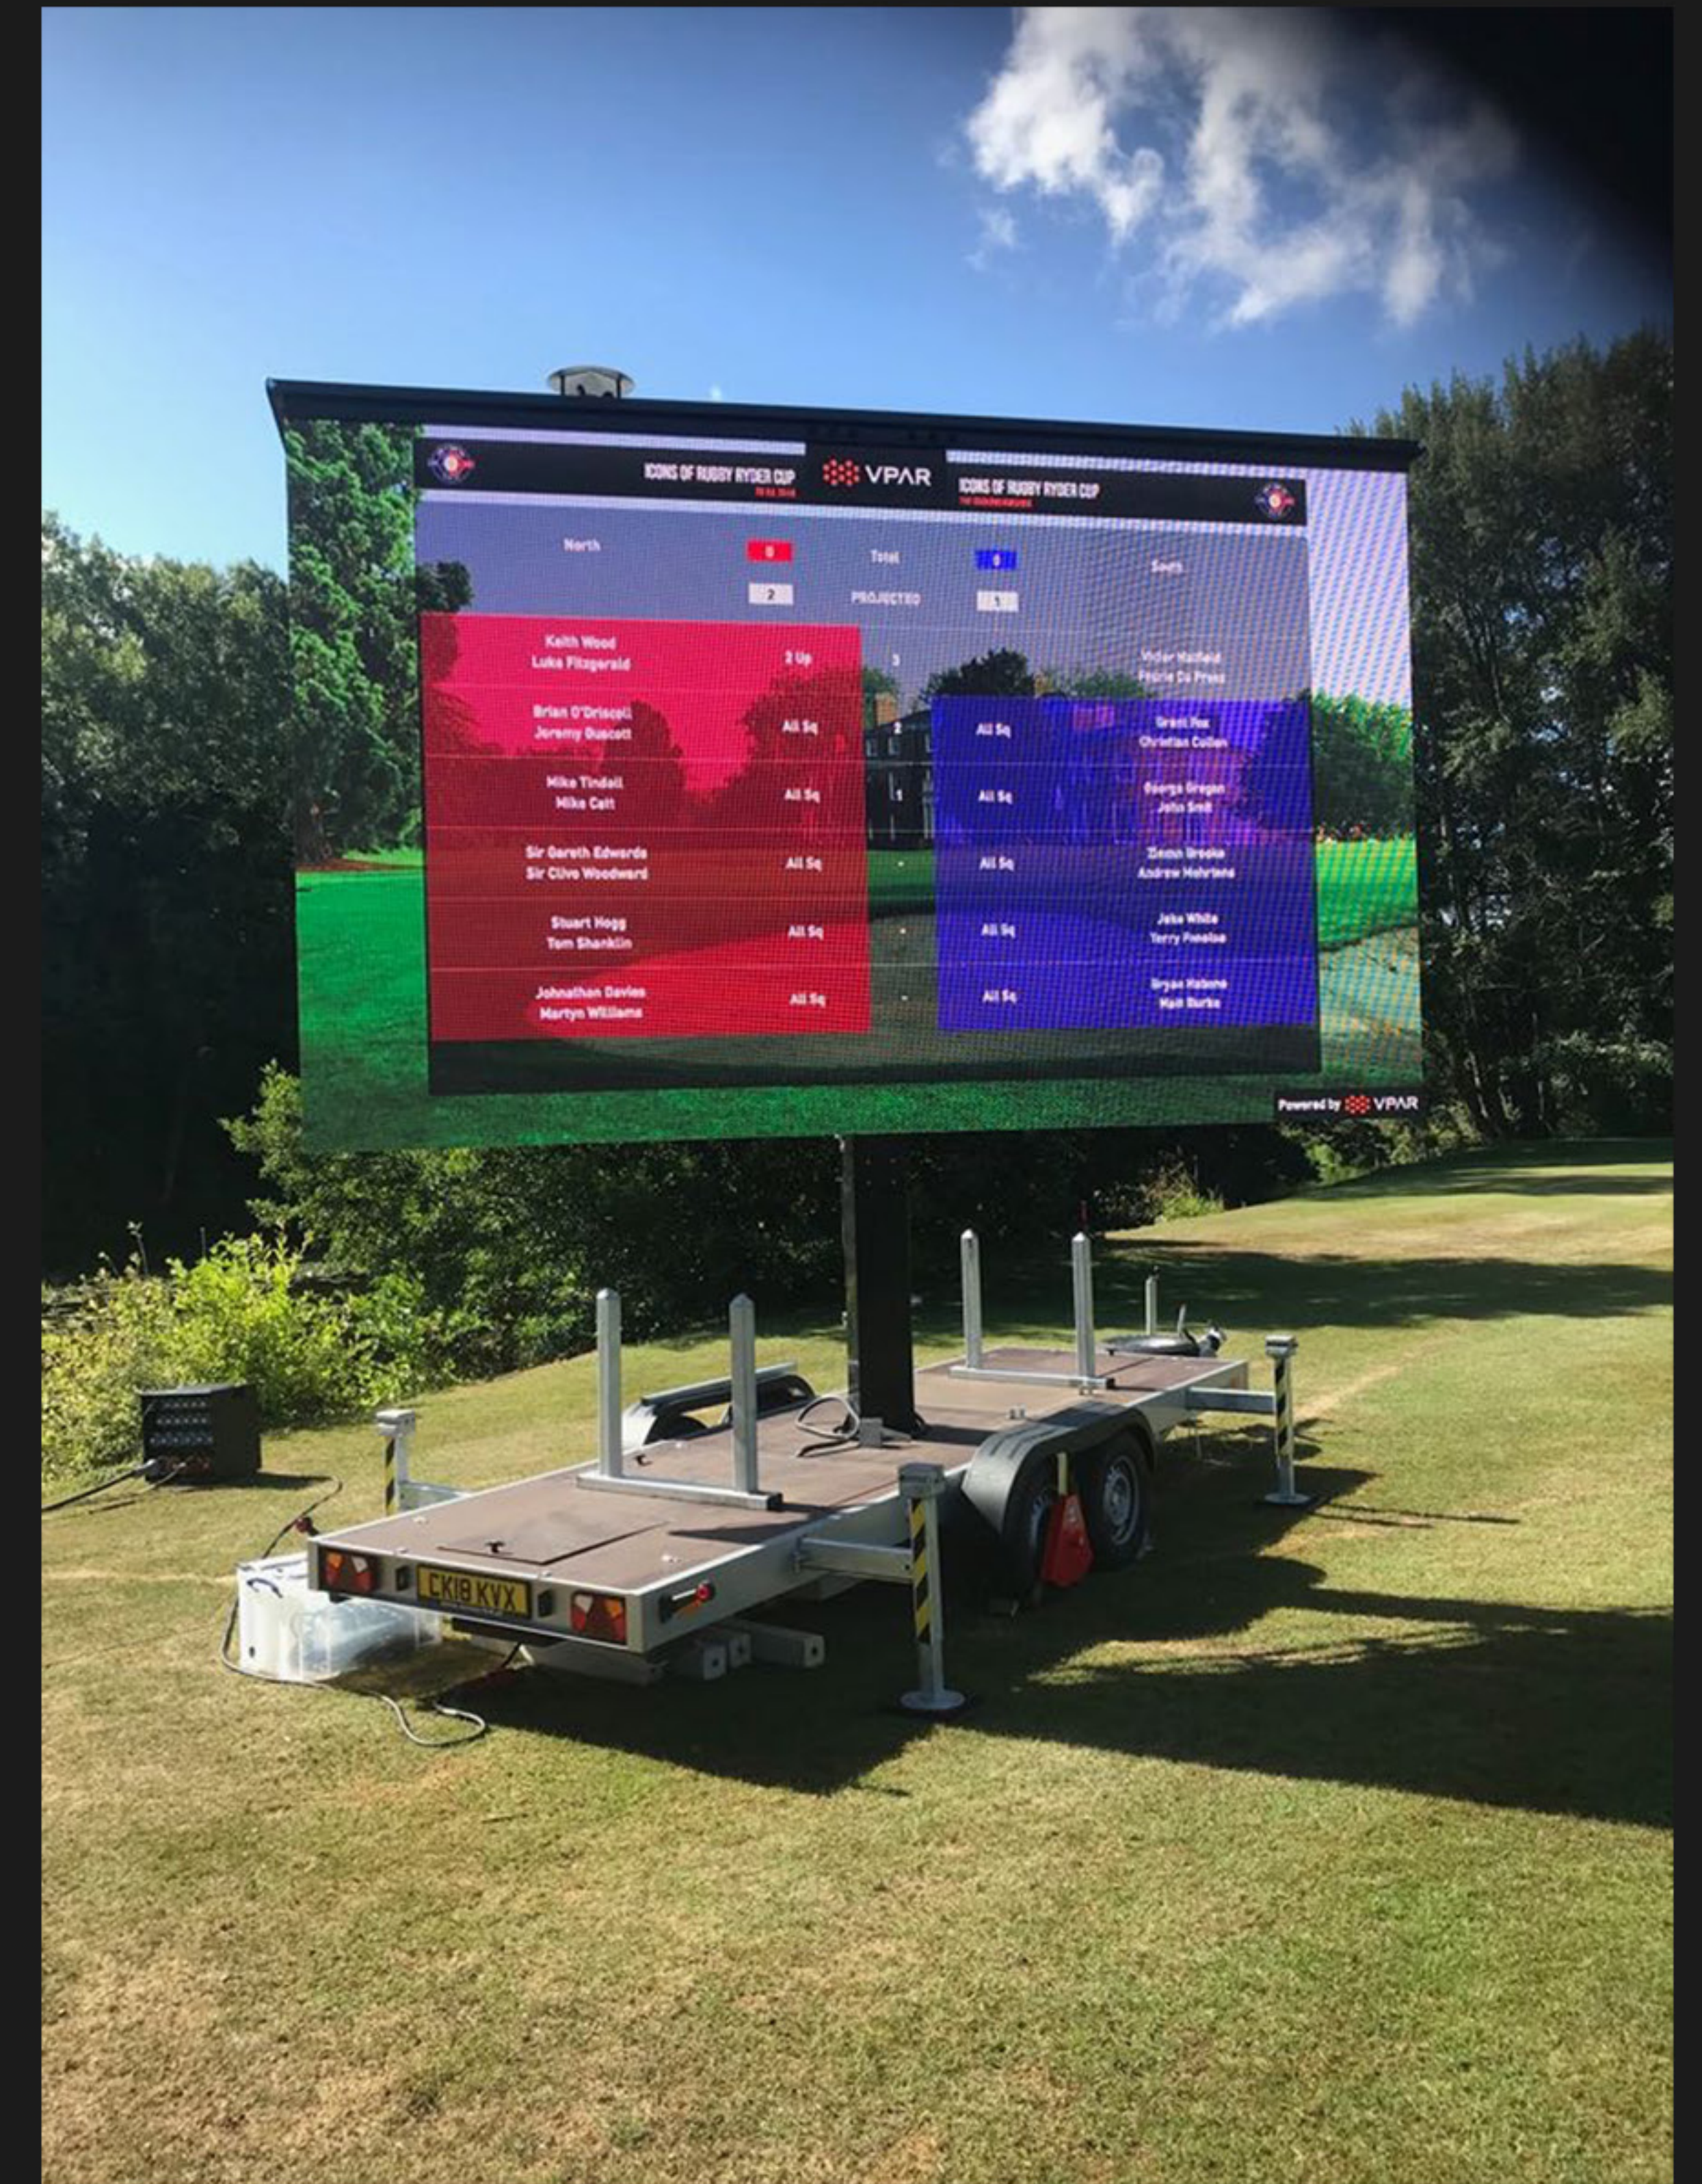

We aim to enhance your events with high quality LED screens.

**RHYS BLUMBERG
CARDIFF BLUES**

The LED screen has been a real asset at games, allowing us to clearly communicate to the crowd using a mix of text and video. As an added bonus, Route make the process hassle free by assembling and dismantling with very little disruption.

BENEFITS:

- Static, video and live stream capabilities.
- 5 x 3m display with 360 degree rotation.
- Large, bright, seamless display.
- Indoor and outdoor capabilities.
- Easy set up in any chosen location.

NOTES:

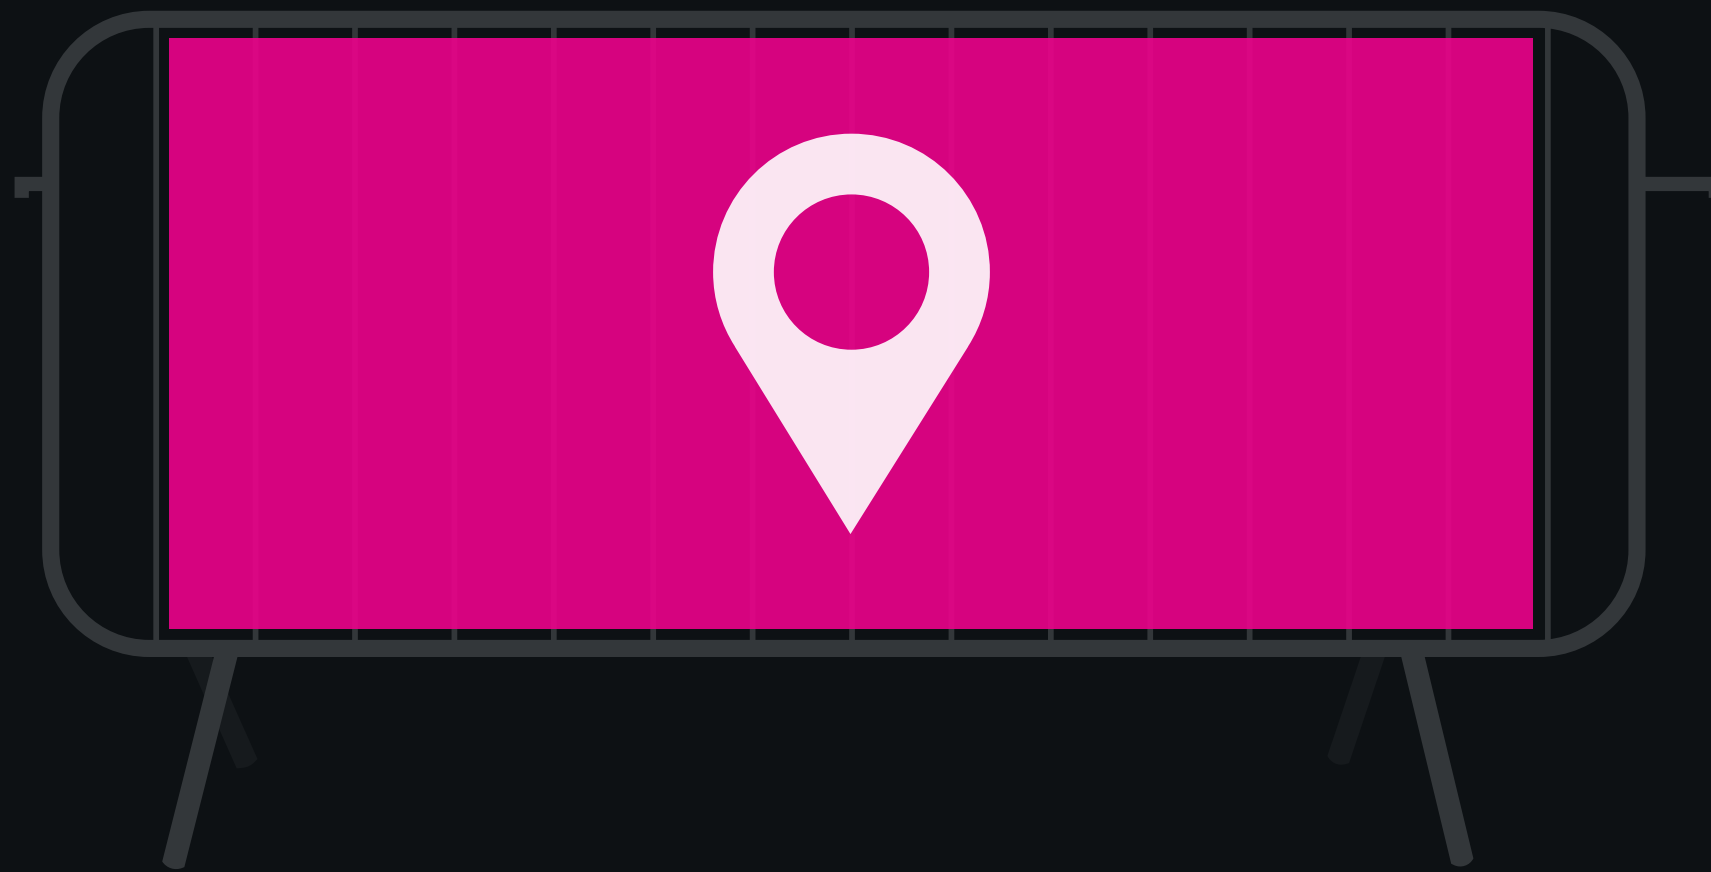

- Volume discounts available.
- All prices exclude VAT, creative and production.

Price on enquiry.

BRANDED CROWD BARRIERS

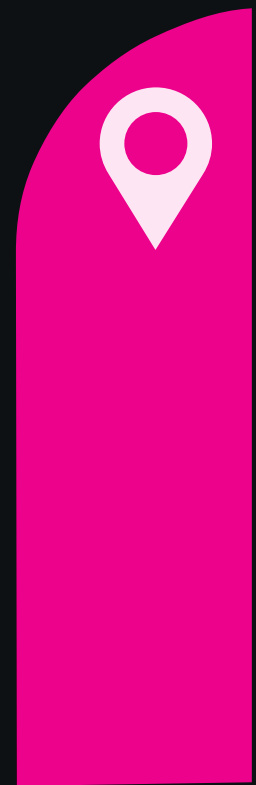

All of the campaigns we run on our mobile events screen are sectioned off using crowd control barriers. We offer an additional package where all of these visual barriers are fully branded using printed mesh PVC banner material.

BRANDED PROMO FLAGS

We offer a range of different size and shape promotional free-standing flags. The flags capture the attention of an audience through crowds and busy areas, drawing focus to your campaign running on the Events Screen.
