NORTH WALES ACROSS RAIL.

Rail advertising is an effective environment for reaching a range of different audiences, depending on the locations and formats you select.

We have a network of 4, 6 and 48 static sheets across the North Wales Rail network. Stations include Bangor, Colwyn Bay, Holyhead, Rhyl, Llandudno Junction and Wrexham, plus static and digital options at Chester Station which targets both North Wales and North West commuters.

Rail advertising offers an audience with dwell time. With passengers spending an average of 7-13 minutes at their respective station. This dwell time gives your audience the chance to digest advertising, and then the opportunity to act on it during their onwards journey.

A rail advertisement for GLLM (Gŵyl Llandudno Junction) is displayed in a silver frame on a brick wall. The ad features a blue and orange color scheme. At the top, it lists partner companies: Cwm Llandrillo, Cwm Menai, Cwm Metrion Dwyfor, and Busnes@LlandrilloMenai. The main headline reads "DECHREUA DY STORI" in large yellow letters, with "START YOUR STORY" in white to the right. Below this, the text says "I GAEL Y SGILIAU A FYDD YN HELPŪ DY DDYFODOL." and "GET THE SKILLS YOU WANT TO KICK START YOUR FUTURE." The website "GLLM.AC.UK" is prominently displayed in yellow. At the bottom, there are social media icons for Facebook, X, Instagram, and TikTok. Two circular logos are also present: one with the text "GWYL LLANDUDNO JUNCTION" and another with "APPLY NOW" repeated twice.

LLANDUDNO.

Llandudno Mega 6 Digital Screen

Situated near the town centre and a popular leisure destination, the screen reaches a wide and diverse audience. Including residents, commuters, and tourists. Llandudno, known as the "Queen of the Welsh Resorts," attracts around 4 million visitors annually, with a resident population of approximately 20,000. The town's combination of a bustling promenade, retail hubs, and key transport links ensures significant daily footfall, making this location ideal for high frequency brand exposure.

With premium digital quality and a standout size, the Mega 6 offers advertisers a powerful platform to build brand awareness and deliver memorable messaging in a prime coastal location. Its strategic positioning ensures visibility to both local and tourist audiences, making it a versatile tool for campaigns targeting regional and national markets.

This site has an estimated reach of **287,000 people per week.**
